“Christmas is not a time nor a season, but a state of mind. To cherish peace and goodwill, to be plenteous in mercy, is to have the real spirit of Christmas.

~ Calvin Coolidge

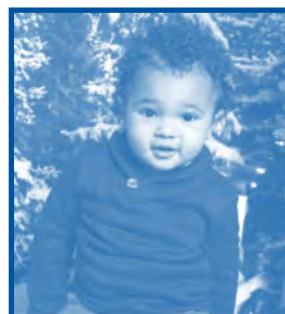

As we head into this season of thanksgiving, I want to extend the heartfelt appreciation of our Board of Directors, staff and parents, to you our faithful community of supporters. We are grateful to the many individuals, corporations, organizations, clubs and businesses that partner with us each year to help single parent families realize a brighter future. Your support, whether it be in time, talent, financial resources or prayers, is impacting single parent families in the most wonderful and permanent way.

As you know, Mom’s House is a unique program and one with proven success stories and a community wide impact. In 34 years, our program has grown tremendously and we are proud of the comprehensive nature of the services we provide. Not only are we providing an opportunity for single parents to attain educational completion, but we focus on their emotional needs and the emotional needs of their children as well, giving them the best opportunity to succeed. You are all a part of this life changing solution and it wouldn’t be possible without you.

From our house to yours, we wish you a very Merry Christmas and a year ahead filled with happy memories and wonderful blessings.

Sincerely,

Kristine Cunningham, *Executive Director*
